

DECLARATION AND POWER OF ATTORNEY

As below named inventors, we hereby declare:

That our residences, post office addresses and citizenships are as stated below next to our names:

That we verily believe we are the original, first and joint inventors of the subject matter which is claimed and for which a utility patent is sought on the invention entitled

Method and system for the production of inductive components comprising superconducting thin layers, and devices containing such components

the specification of which
was described and claimed in International application

No. PCT/FR2004/001873 filed on 16th July 2004.

That we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

That we acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

That we hereby claim foreign priority benefits under Title 35, United States Code, §119 and §172 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's on this invention having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s)

Priority Claimed
